

No weighty problems at Council this week

St. Albert's Town Council worked through a rather short agenda at its regular meeting Monday evening. The main items of concern at the 2-hour meeting, attended by all Councillors except Messrs de Bruij and Donalds, were dogs and buses.

MORE DOGS THAN LICENSES?
Commenting on the dog patrol report Councillor Gibson noted that in the past year 388 dog licenses had been sold. "Judging by the number of dogs running around this town," Mr. Gibson said, "there must be an awful

lot of dogs that have no license."

(Dog licenses cost \$2.00 for a male or spayed female and \$5.00 for a female and should be obtained at Town Hall). The procedure at present regarding untamed dogs caught running at large, is that the owner may be fined the animal after being charged a license and paying the impounding charge. No fine is issued for not having a license. This, Mr. Gibson feels, warrants a change. It was also noted that out of 60 dogs picked up by the dog catcher, 35 were ultimately taken to the S.P.C.A. to be destroyed. It seems there were 35 dog lovers in St. Albert who didn't feel their dogs were worth the few dollars it takes to get them out of the pound. Mr. Wheatley feels the dog situation is "pretty well under control" in St. Albert. He advised Council that when ever dogs become a nuisance in any section of town, residents can phone in a complaint to the Town Hall, and the S.P.C.A. will then be asked to put an extra heavy patrol on the area for a couple of weeks.

BUSES:
Councillor Parkes, the Town's unofficial bus inspector, is still receiving complaints. People are left stranded on corners in 20 below weather; some buses run late, others don't turn up at all. Mr. Parkes feels the bus service should go, no matter the weather is poor or not, and he asked that another letter be sent to the Bus Company. Mr. Wheatley said that he has been in touch with the bus people on several occasions, and that they are most concerned about doing a good job. Mayor Fowler cautioned Council that before starting to make demands of any kind to the Bus Company, Council should first ask for subsidy. This bus line is allegedly a losing proposition and interest in Civic Affairs will wane enough alone. The Mayor made it very clear that this Town is in NO position to start subsidizing a transportation system.

WELFARE:
Looking over the monthly financial report Mr. Gibson commented on the Welfare Account, which has been steadily going down. In face of rising population and rising every thing, the Town is now spending less on Welfare than ever before. Mr. Gibson moved that Council send a letter of commendation to St. Albert's Welfare worker Mrs. J. C. Bertsch for the fine job she is doing.

St. Matthew's Anglican Parish in St. Albert, will conduct the regular Sunday morning services in the St. Albert United Church at 9:30 and 10:00 a.m., while Rev. Leonard J. Musto, minister of the United Church will conduct the 11:00 a.m. service for St. Matthew's in Nickerdon Church at 11:00 a.m. Both Rev. Dawkins and Rev. Musto will conduct the order of service as usual in the church they are visiting. These arrangements, made with the full approval of the congregation, are believed to be unique and it is hoped that congregations of both churches will support them fully.

Mr. Gibson's motion that a social convener be appointed to "bring all Liberals together" and organize fund raising social events was enthusiastically received. Mr. Gibson was asked by the Leader of the Opposition Mike Macagno, to join his "advisory team".

In his address Mr. Macagno said there are a number of ridings in Alberta where the taking and he told the meeting he felt certain that "if we all get behind candidate Russell and work hard the St. Albert riding can be won". Mr. Macagno said there is a definite dissatisfaction with the present government in Alberta and stressed that the Liberal Party in Alberta "is not dead".

On policy matters he promised strong support for tax relief for working married women and also said he saw a "great need for a full time attorney general".

Mr. Bob Russell is congratulated by the Honourable Mike Macagno after his election as candidate for the St. Albert riding in the forthcoming federal election. Mr. Russell was elected President of the Association at the meeting.

MEET MIRIAM JOANNE VAN DER GOUW—just moved into 20 Grandin Road, St. Albert's first baby in the Centennial year was released from hospital Saturday after really putting her mind to this weight gaining bit and reaching 5 lbs. 11 ozs. for the week-end. Mummy is delighted to have

her home and doing so well, but Miriam wasn't sufficiently impressed to bother smiling for the camera. A delicious, attentively decorated cake also arrived at the Vandergow home Saturday afternoon, gift from the St. Albert Bakery to the mother of our New Year's baby.

MAYOR'S COLUMN

Within a few months our new Centennial Library will be opened and I am certain we will have a facility second to none for any community our size in Canada.

Nor can it be disputed that our Library Board is second to none. This Board, under the Chairmanship of Mr. W. Sopowich, along with Mrs. M. Wolnienski, Mrs. M. Herron and Dr. W. Mirtin, have conducted the Library's affairs in a most efficient and satisfactory manner. Mr. A. Johnston, who was our Librarian for a considerable period of time has been replaced by Mr. A. Hasse. I feel the Town is fortunate in having people of this calibre take the necessary time and interest in Civic Affairs and give of their time for the betterment of the Community. Two of the members also served on the Centennial Library Committee with Mr. George McLelland, Mr. R. Scheibeleger and Councillor Gibson. This Committee was responsible for the planning and co-ordination of the new Library.

It is naturally expected that the new building will also mean new hours of operation and the community may look forward to library hours which will be more convenient.

The present rate of book rentals is over 30,000 per year which is highly commendable.

when one considers the rather inadequate facilities presently used, I should imagine with new facilities we can look toward at least 100,000 rentals per year very quickly.

The Town Council and its residents are indebted to the Board and I am sure I am safe in saying we, on Council, look forward to the progress of the Library in 1967.

End Comes Quietly for Cathy Taylor

The people of St. Albert were saddened to learn that death came quietly to valiant little Cathy Taylor last week. The brave young girl who bore her amputation and falling health so bravely drew the affection and sympathy of all who knew her. A large crowd attended her funeral service conducted by the Rev. L. Musto of St. Albert United Church. Feelings of both sympathy in her loss and admiration of her courage go out to Cathy's family.

Mr. Bob Russell is congratulated by the Honourable Mike Macagno after his election as candidate for the St. Albert riding in the forthcoming federal election. Mr. Russell was elected President of the Association at the meeting.

Gail, who taught figure skating at Viking last year, took over in St. Albert two weeks ago, from Mrs. Peggy Fairfield. (Mrs. Fairfield was unable to continue due to the illness of her child). 23 young people are taking lessons at Grandin rink each Saturday from 1-3 and 3-5 at Sturgeon from 3:30-5:30. Now going into their sixth week of lessons this season the figure skaters are hoping to stage a skating exhibition later in the season.

St. Albert host N.D.P. curlers

Curlers from the town of St. Albert and from the surrounding countryside held a bonspiel at St. Albert on Sunday, January 15th. This was the first, but not the last, New Democratic Party Bonspiel held in St. Albert.

When the scores came in, the Bud Crozier rink from Lancaster Park won the first prize trophy. The Geoff Wright rink of St. Albert won second prize-wallets and purse; and the Ken Almond rink from North Edmonton won third prize - coffee mugs.

Dr. Norman Dolman, N.D.P. Candidate for St. Albert riding presented the prizes and (fortunately for him) was on one of the losing teams!

As the curlers came off the ice at 1:30, their appetites were amply taken care of by a piping-hot lunch provided by the Women's Group of the St. Albert N.D.P.

When it was all over, at about mid-afternoon, everyone agreed that it had been a most enjoyable day's curling and good fellowship.

Spirit of Unity still at work here

January has been a month full of ecumenical activity among the varied bodies of the Christian faith. In Edmonton, it was climaxed in the great ecumenical service in the Jubilee Auditorium here, in St. Albert, it was illustrated in the fine Service of Prayer for Christian Unity held in the St. Albert Roman Catholic Church and attended by Catholic and Protestant alike from various denominations here. And this spirit of unity is still at

work. Sunday evening, the congregation of the St. Albert United Church voted unanimously to extend an invitation to the other Protestant denominations in the Town to use the United Church Sanctuary for Sunday evening services which could then be attended by all those who would like to have the opportunity to worship at that time. The suggestion came spontaneously from a lay member and was acted on with enthusiasm by all present. Still another ecumenical observance is planned for next Sunday morning. At that time, Rev. C. B. Dawkins, Rector of

The Centennial Committee of the St. Albert Evangelical Lutheran Church had their first meeting Tuesday evening. The Committee is made up of: Chairman - Mr. Karl Hansmann, Vice-Chairman - Mr. Ernest Kladogel; Treasurer - Mrs. Bertsch; and Secretary - Mrs. Garth Peters.

Pastor R. O. Olson convened the meeting. Reading from Matthew 25:31-40 in which Christ Jesus sets forth the Truth: "Inasmuch as ye have done it unto one of the least of these My brethren, ye have done it unto Me", the pastor stated that it is very clear as to what Christ's will is as far as the type of work and mission we are proposing to carry through in our Centennial Project, amongst the mentally retarded and handicapped. He reported as to how through his congregation in Saskatoon this was initiated, a small beginning that has grown to become a significant and recognized work in the City of Saskatoon. It was the first of its kind in the area, and thus received good coverage from the press, Radio, and T.V. Realizing that this is a specialized ministry and that a centralized approach would work better than for each group or congregation to try to get the message of the Churches in Saskatoon for their whole-hearted approval and moral support. This they also did in the area of the ministry of the deaf which was carried on in Zion Lutheran, Saskatoon, also a specialized ministry regarding capable personnel to reach and to teach this type of person.

THE AGENDA FOR THE EVENING COMPREHENDS 3 MATTERS: (a) Preliminary Plans under which we discussed and are to carry out: 1. Determine the needs in St. Albert and Area; 2. Distinct plans to meet these needs, under which we will seek to initiate - classes for these children and adults - contact and concern for parents - community studies to awaken and enlighten our Area as to what the need is and what we all can do; 3. Decide as to the best possible way of handling transportation needs; 4. Develop "Ways and Means" as to meeting any and all

Highlighting events on the 1967 agenda are a Dutch Auction scheduled in March, Strawberry Tea and Bazaar in April, The Annual Turkey Supper in October. In addition to these each of the 5 units will be carrying out their individual projects.

The Centennial Project is the history of the St. Albert United Church in the form of a book, which upon its completion will be presented to the Church.

St. Mathews service features African film

"Freedom in their souls" a Bible Society film, replaced the sermon on January 22. Worshipers had earlier participated in a baptism service at which two children Peter John, son of Mr. and Mrs. J. Taylor and Kimberley Susan, daughter of Mr. and Mrs. R. Ryle received the sacrament. The film vividly depicted the far reaching changes which have taken place recently in Africa, indicating the crucial role of the church and the bible in bringing education and freedom from fear to the African people. A former member of the congregation, Miss Christine Franklin, is presently working as a teacher at Bishop Tucker College one of the institutions featured in the film.

St. Mathews service features African film

"Freedom in their souls" a Bible Society film, replaced the sermon on January 22. Worshipers had earlier participated in a baptism service at which two children Peter John, son of Mr. and Mrs. J. Taylor and Kimberley Susan, daughter of Mr. and Mrs. R. Ryle received the sacrament. The film vividly depicted the far reaching changes which have taken place recently in Africa, indicating the crucial role of the church and the bible in bringing education and freedom from fear to the African people. A former member of the congregation, Miss Christine Franklin, is presently working as a teacher at Bishop Tucker College one of the institutions featured in the film.

Sturgeon offered crop insurance program

Crop insurance will be offered to farmers in the Municipal District of Sturgeon No. 90 this year, according to an announcement of the Alberta Crop Insurance Corporation. Also included under the crop insurance program will be the Municipal District of Westlock and the County of Thorhild.
 The move into this large block north of Edmonton is part of a major expansion program which will see crop insurance areas double from those of a year ago.
 Crop insurance is a joint program of the provincial and federal governments. It is intended to provide farmers with a means of protecting themselves against serious crop losses at a minimum cost.
 Under the program, farmers stay insure their wheat, oats, barley and mixed grain crops. They are guaranteed a return based on 60 percent of long-term average yields in the area. This is intended to guarantee a return of about the out-of-pocket costs of growing the crop. Cost of the insurance to farmers is reduced by the fact that all of the administrative costs of the program are shared by the provincial and federal governments and, in addition, the federal government pays one-quarter of the cost of premiums. This means that the protection is provided on a less-than-cost basis.
 Within the next few weeks the Corporation will appoint agents and, in addition, the federal government pays one-quarter of the cost of premiums. This means that the protection is provided on a less-than-cost basis.

Mr. Juchmes was born in Wisconsin, U.S.A., and arrived in the district in 1902 with his parents. United Church annual meeting

The grass-roots level of United Church government, the Annual Congregational Meeting took place in St. Albert United Church on Sunday evening, following a pot-luck supper enjoyed by many. With Rev. Leonard J. Musto in the chair, and Mrs. Leo Nickerson as secretary, a large number of annual reports of the various committees and organizations of the church were presented and discussed, including in there was a detailed report of the work of the fifty-member U.C.W., which, working through five district units has carried out an amazing variety of activities, ranging from catering and bazaars, through welfare work, decoration of the church, to visiting and entertainment at the Yoville Home. Mrs. Margaret Penrose will again serve as President.

During the past year the United Church assumed responsibility for part of the Scout and Cub work in St. Albert, forming the Third St. Albert Group. At the present time the group has two Cub Packs with 59 boys in attendance. A Father and Son Banquet

to be held jointly by the Third St. Albert and the Fourth St. Albert, which is sponsored by the Presbyterian Church, is to be held on February 21st, in Baden-Powell Week. Three hundred and eighty students are registered in the Sunday School, which holds two complete sessions, one at 9:30 and the other at 11:00 a.m., each Sunday to accommodate the large attendance. Mr. Mack Lyle succeeded Mr. Stuart Rindero as general superintendent this year.

A well-attended H-C group is planning a rally week-end to be attended here by H-C's from Westlock and Barrhead.

The Senior Choir and the Session both reported on a problem which has arisen in that the services of an organist and choir leader for the eleven o'clock services are urgently required. Anyone, amateur or professional who would be interested in assisting with God's work in this way, is asked to contact Mrs. Marshall Hill of the Music Committee of the Session, or Mr. D. L. Petherbridge of the Senior Choir.

Eighteen members of the Intermediate Choir, with their leader Mr. Eric Robinson, provide music for the 9:30 services and the congregation passed a motion commending them for their work and faithful service. Financial and physical affairs of the church were reported on in detail by various officials of the Committee of Stewards. Keeping in mind the difficulty

Diet Gals Get Set

Until further notice the Diet Club members will meet every Monday evening in the basement of the Community Hall. 15 members attended this week's session when the club regulations were renewed. Ladies are reminded that they must get a recommendation from their doctor as to weight loss. Election of officers will be held in two weeks' time.

Although the gals seem determined to meet their centennial diet goals, they may feel extra moral support would help in any event they report that they would like to see more ladies join in the venture.
